

SUMMER 2023

PRESENTED BY 

Spruce Ensemble

For beginner/novice musicians who have been playing their instrument for at least 6 months. Focus on basics through steady and detailed instruction. Great for players who are brand new to ensemble playing.

Tuesdays 7-9pm
Registration fee: \$240

Directed by Rebecca Jonas

Philharmonic Orchestra

Most attendees will fall in this category! Players who are comfortable interpreting sheet music and general rhythms who consider themselves intermediate to intermediate advanced will thrive in this orchestra. For those who have participated in DASC before, Philharmonic will be a step or two up from previous sessions with plenty of room for growth and support. If you have previously participated in Spruce and feel ready to move up, this is a great option. This orchestra includes five small group sectionals with an instrument specific coach.

Tuesdays & Thursdays 7-9pm
Registration fee: \$340

Directed by Sarah Jylkka

Chamber Orchestra

8-10 advanced level players. Musicians in this category should feel very comfortable with rhythm and note reading, shifting, and playing in multiple *#s* and multiple *bs*. Two sectionals are included in this orchestra experience. Members who have played in DASC before and found the level much too easy or members who are ready to take on a new challenge and have time to dedicate to practice will thrive in this orchestra.

Non-standard schedule (see calendar below)

Registration fee: \$240
as a Philharmonic add-on: \$90
